

OTT FY27

# OTT CREATOR HOUSE

OVER THE TOP

OTT CREATOR HOUSE

# YOU'RE IN.

A curated community of creators getting closer to the experiences, brands, people and opportunities shaping what's next at OTT.

ACCESS · OPPORTUNITY · COMMUNITY · EARNING

WHY YOU'RE HERE

# OTT ALREADY WORKS WITH CREATORS.

You've helped us show up, create, share, sell and extend the story beyond our own audience. OTT Creator House makes that relationship bigger.

INSTEAD OF

~~"We have another event. Want a ticket?"~~

IT BECOMES

**"You're part of our ecosystem. When something comes up that makes sense for you, we want to bring you into it."**

**That is the relationship we're building.**

THIS IS WHAT IT CAN LOOK LIKE

# IMAGINE GETTING A TEXT FROM OTT.

That's OTT Creator House.
The opportunity comes in.
We find the people who make sense for it.

OTT

Belvedere has a creator experience coming up. We think you'd be a fit.

We're doing The Blend in Vegas. We're looking for travel + lifestyle creators.

A fitness partner needs creators for an upcoming activation.

We have five VIP spots for this launch. **These are yours.**

We need creators for a UGC campaign.

**You've been converting tickets. We want you on the next flagship.**

# RIGHT CREATOR. RIGHT OPPORTUNITY.

**OTT Creator House is not a popularity contest. Follower count matters. But it isn't the whole story.**

A Vegas travel activation needs a different creator than a fitness campaign.
A UGC opportunity needs someone who makes great content.
A ticket-selling opportunity needs someone who actually converts.

WE LOOK AT

- CONTENT QUALITY
- BRAND FIT
- NICHE
- AUDIENCE
- LOCATION
- ENGAGEMENT
- RELIABILITY
- PERFORMANCE

**The goal isn't to activate everyone. It's to activate the right person.**

AND YES...

# YOU CAN MAKE MONEY.

**10%** → **20%** → **PAID**

**TICKET COMMISSIONS**
Eligible ticket sales

**UP TO 20%**
Flagship events

**CREATOR WORK**
Paid campaigns · Paid UGC · Paid partner campaigns

---

**BRAND OPPORTUNITIES**
When OTT has access to a brand opportunity, OTT Creator House is where we look first.

We aren't promising every creator a brand deal. We're putting you closer to the opportunity.

# YOU'RE NOT JUST GETTING INVITES.
# YOU'RE GETTING CLOSER TO THE ECOSYSTEM.

**And the more we work together, the more we learn:** what you're good at, what you create, what audiences respond to, what opportunities fit you.

HOW THIS ACTUALLY WORKS

# EIGHT STEPS. ONE LOOP.

## 01
### VET
We identify creators who belong in the House.

## 02
### INVITE
You receive a personal invitation.

## 03
### ONBOARD
Membership, profile, commission link + welcome.

## 04
### OPPORTUNITY
An OTT or brand opportunity becomes available.

## 05
### MATCH
Selected on fit, audience, location, brand + performance.

## 06
### ACTIVATE
Attend · Create · Post · Sell

## 07
### TRACK
Content · Sales · Performance · Reliability

## 08
### GROW
Strong performance = more opportunities.

**RIGHT CREATOR. RIGHT OPPORTUNITY. RIGHT TIME.**

WHAT WE ASK FROM YOU

## SHOW UP.

Be present when you commit.

## CREATE.

Bring your perspective. Don't make generic content.

## SHARE.

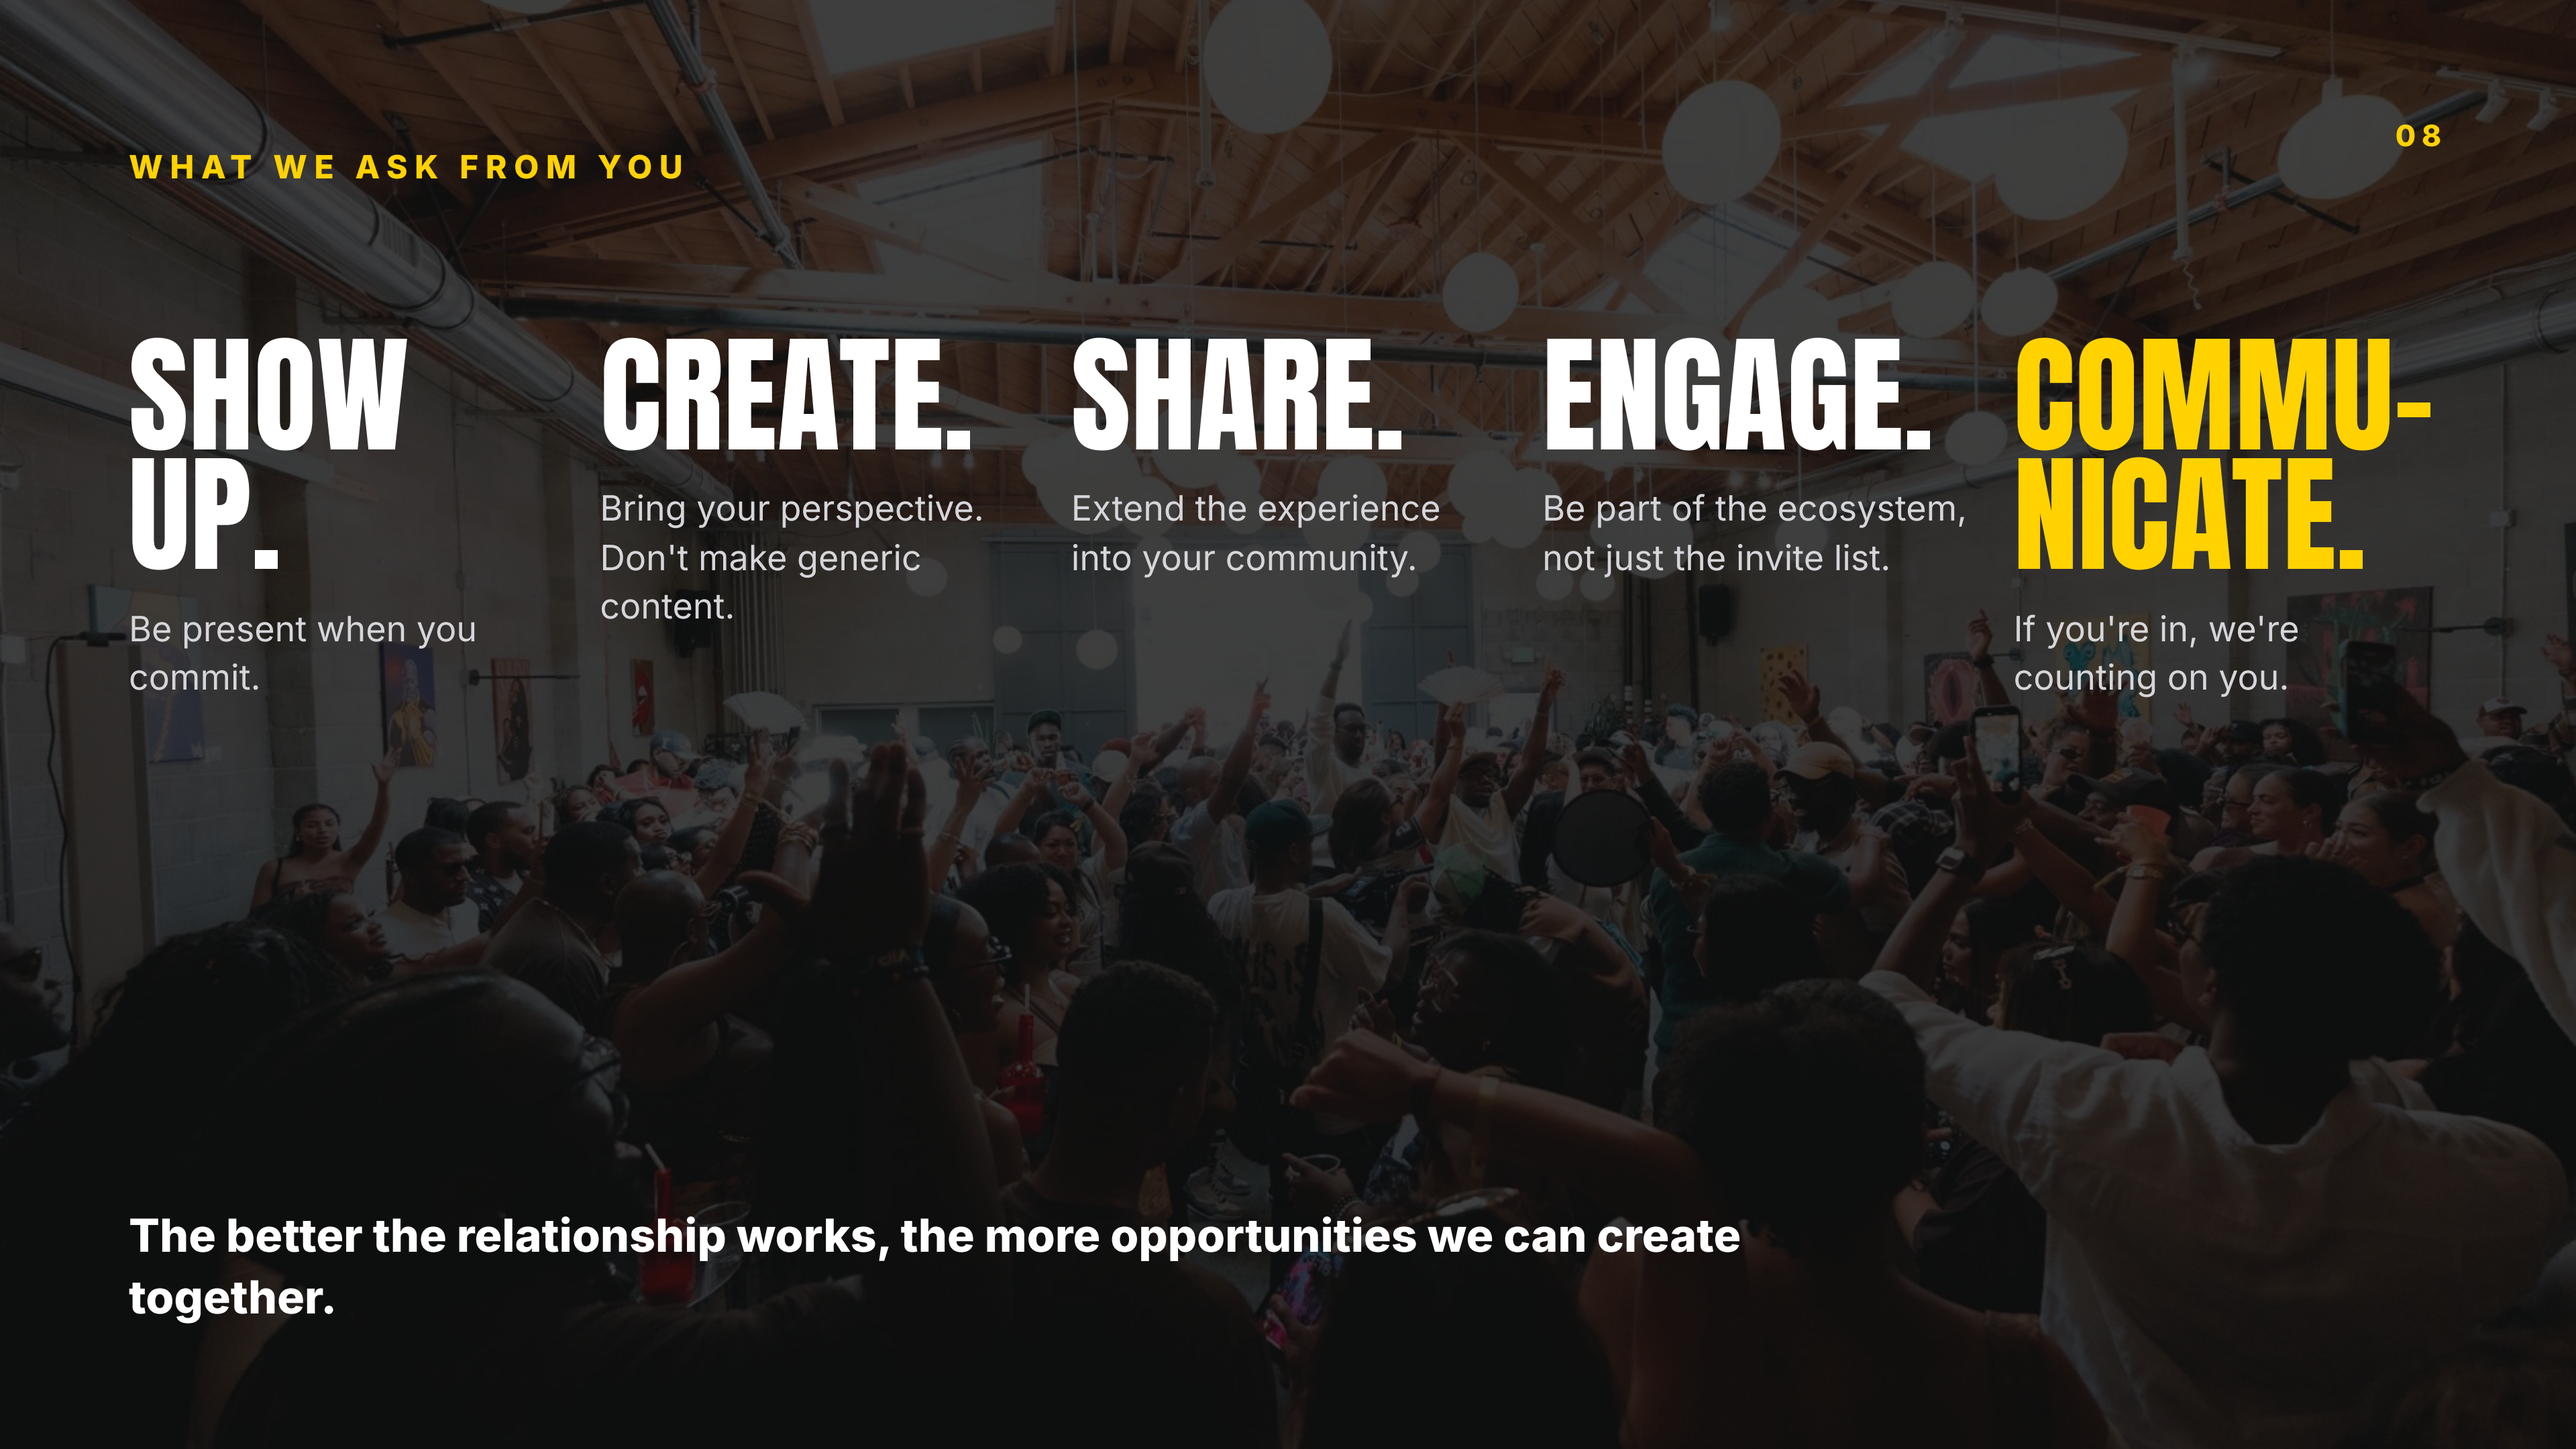

Extend the experience into your community.

## ENGAGE.

Be part of the ecosystem, not just the invite list.

## COMMU-NICATE.

If you're in, we're counting on you.

**The better the relationship works, the more opportunities we can create together.**

THIS IS BIGGER THAN EVENTS

# A CREATOR NETWORK. BEFORE WE NEED ONE.

Instead of arriving in a new market and asking “Who are the creators here?”

**We arrive with a network already in place.**

ACTIVATE → CREATE → DISTRIBUTE → CONVERT

WHAT WE'RE BUILDING TOGETHER

# OTT SITS IN THE MIDDLE.

OTT Creator House connects all three.

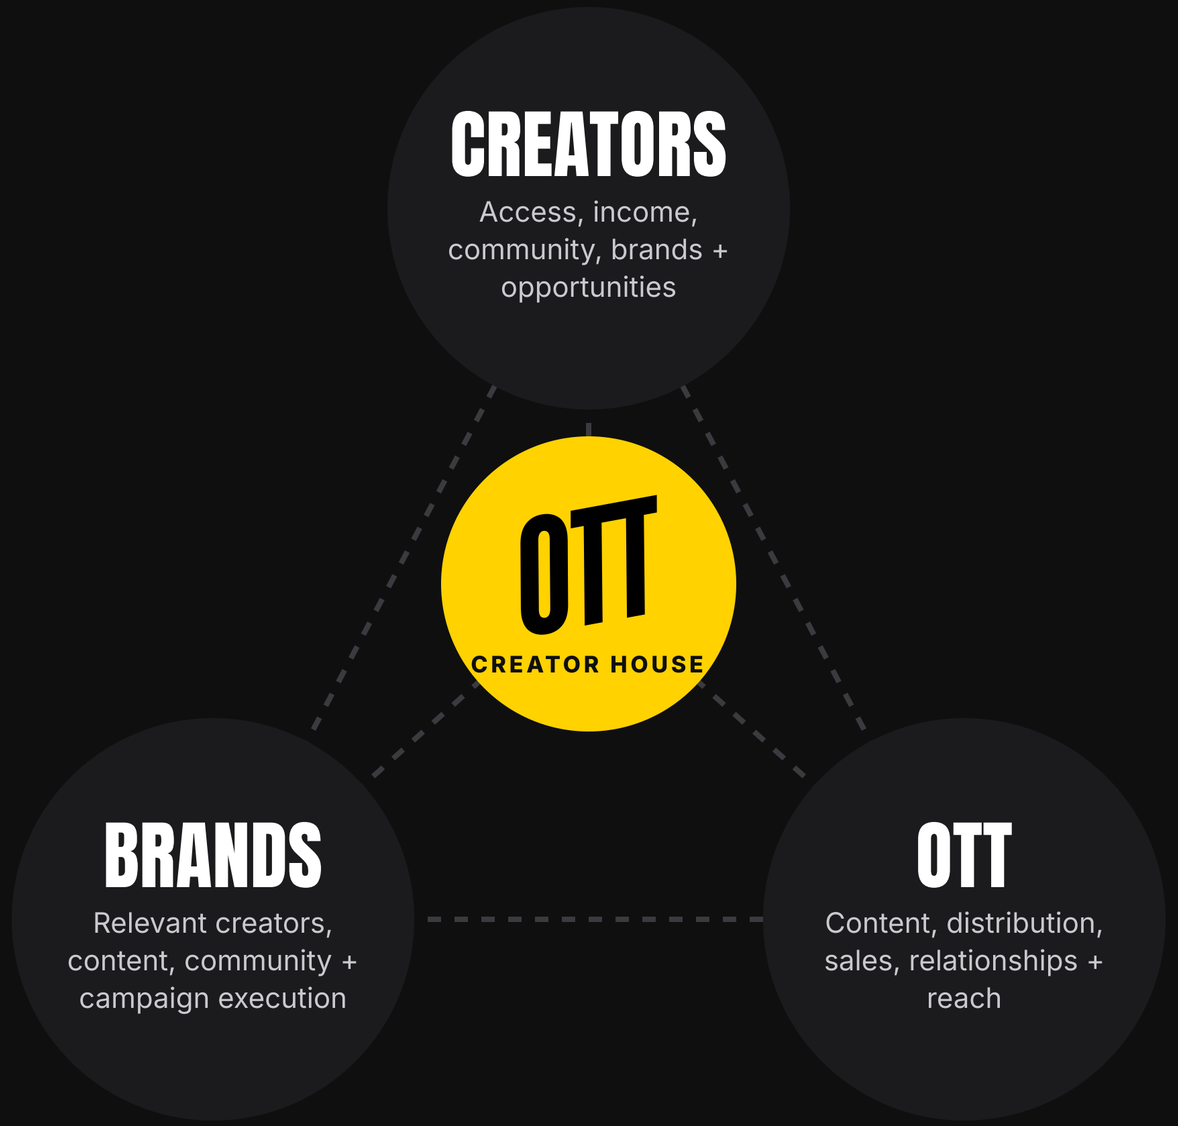

**And when the system works:**

Creators get better opportunities.

OTT gets more reach + revenue.

Brands get more value.

**Which creates more opportunity for creators.**

ONE IMPORTANT THING

# THIS IS NOT MANAGEMENT.

We aren't here to manage your career.

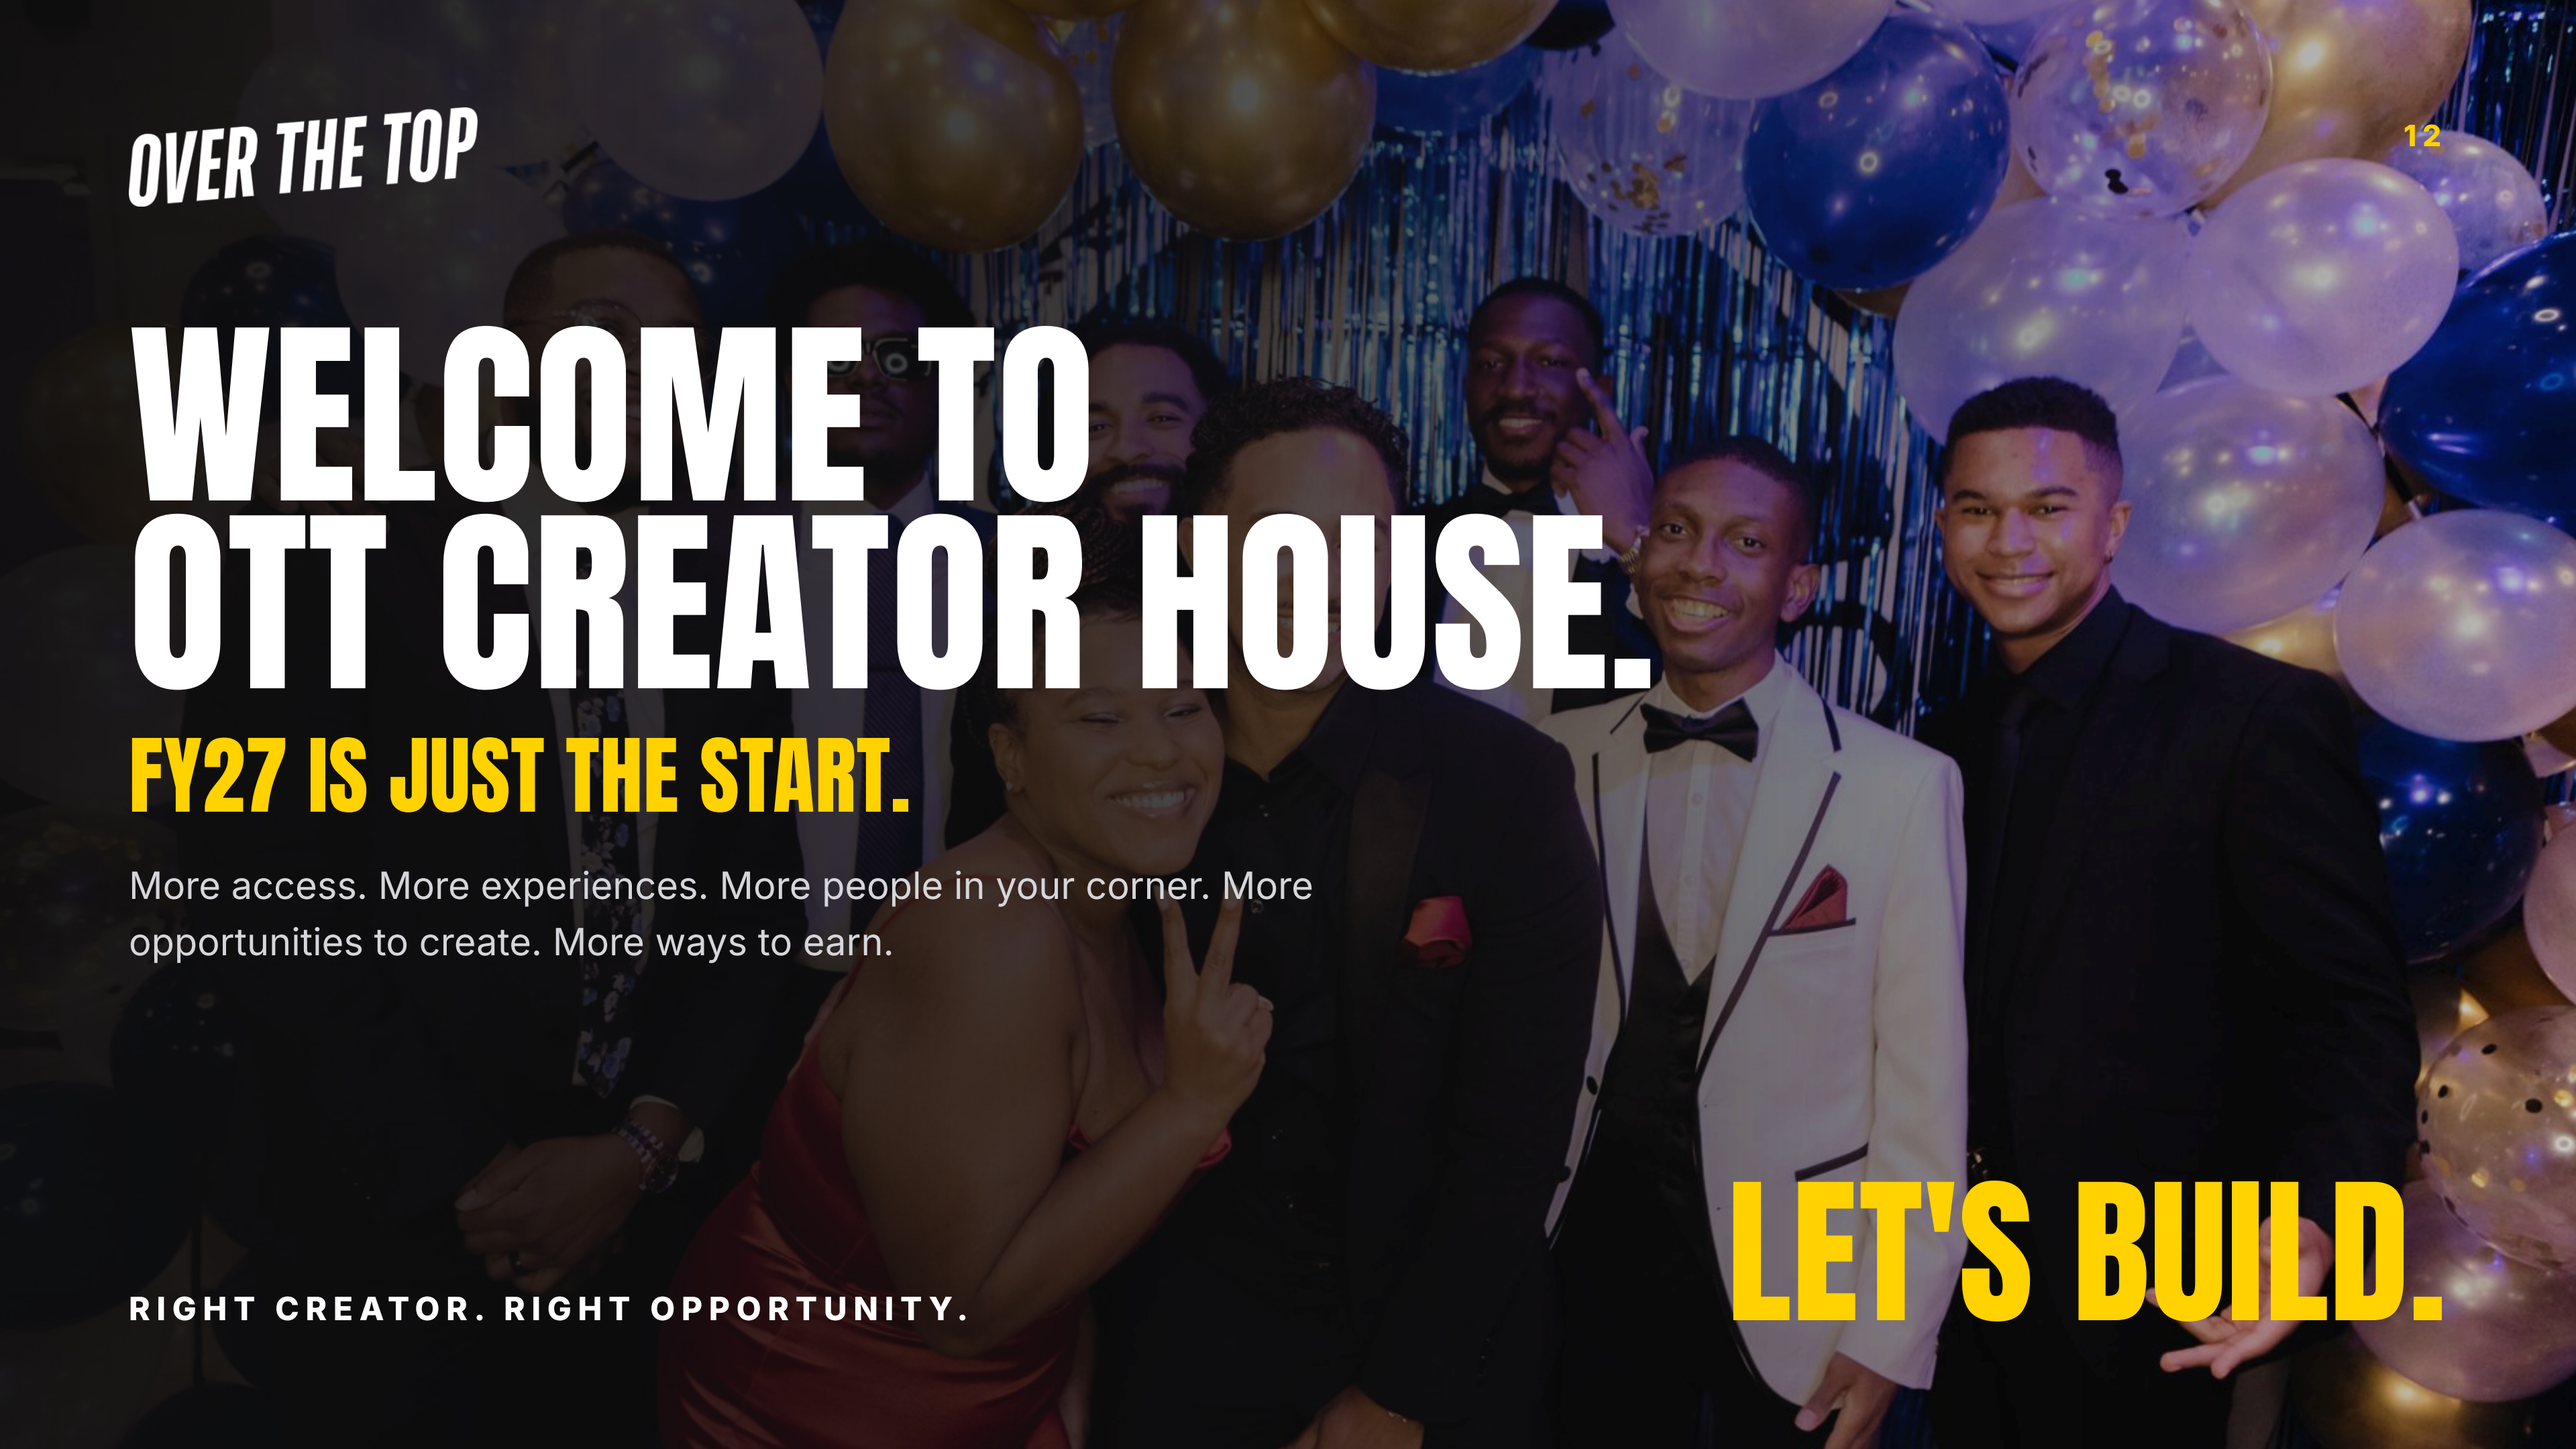

## NO EXCLUSIVITY.

## NO ONE-SIZE-FITS-ALL ACTIVATION.

## NO GUARANTEE OF BRAND DEALS.

What we are doing:
**Putting the right creators closer to the right opportunities.**

## YOU BRING THE CREATIVITY. OTT BRINGS THE ECOSYSTEM.

# WELCOME TO OTT CREATOR HOUSE.

## FY27 IS JUST THE START.

More access. More experiences. More people in your corner. More opportunities to create. More ways to earn.

**RIGHT CREATOR. RIGHT OPPORTUNITY.**

## LET'S BUILD.
